

PETITION FOR GIRLS' ACCOMMODATION
STUDENTS HOSTEL NO.11
Indian Institute of Technology, Bombay

We, the undersigned, solemnly declare that our hostel is under tremendous stress and strain regarding accommodation. Currently, H11 is having only 147 seats (53 single + 94 doubled/tripled) available for the incoming batch. However, the strength of the new batch is expected to be 230 or higher. To accommodate this huge number, we are forced to double our available 53 single rooms. And still we will be in a position to accept only 200 newcomers. The remaining 30 (and beyond) will be forced to adjust in double rooms “tripled” or risk staying in drying areas, dormitories, etc.

Some of the problems we face due to this are:-

1. Students who have already been in the institute for greater than a year, expect to get a single room in their second year at least. Doubling of single rooms, unfortunately, eliminates this possibility by default.
2. Single rooms are too small, to be doubled up. There is not enough space in the single room for the second cupboard, table and chair.
3. Increased load on bathrooms, toilets and other essentials like washing machines.
4. Increased load on drying areas.
5. Increased load on the mess hall (not enough seating space available, so girls have to eat while standing, or wait until another finishes)
6. Students (especially Ph.D.) who have finished their first year of coursework, claim to need more freedom and space (possible only with single rooms) for their research.

In the last year, the new H10 extension building had come up. However, that building was allotted to girls in lieu of the staff hostel rooms and C-type buildings. Thus, the load on the hostel is not fully relieved, in spite of the new construction. In view of the fact that a new hostel (H-14 with 588 rooms) and a new wing to H-12 (with 196 rooms) are ready, we request that one of the smaller boys' hostels be released and re-allocated to girls. Please consider this as an earnest request, and respond to it on an urgent basis.

Your sincerely,
Undersigned

Date: 08.07.2010
